

## Certificate of RoHS Compliance

28<sup>th</sup> April 2021

Tekron International Limited certifies that our lead-free cables & assemblies identified by the product family listed below are compliant with the European Union Directive EU 2015/863 for the Restriction of the use of Hazardous Substances in Electrical & Electronic Equipment (RoHS).

### Product family: TTM 01-G

No Lead (Pb), Cadmium (Cd), Mercury (Hg), Hexavalent Chromium (Cr+6), PBB or PBDE is intentionally added to these assemblies. Any trace impurities of these substances contained in the parts are below the RoHS specified threshold levels:

Cr+6, Hg, Pb, PBB's, PBDE's < 1000ppm  
Cd < 100ppm

All information provided in this Certificate of Compliance is accurate, to the best of Tekron International Limited's knowledge, as of the date this certification was issued.

Regards

Hayden Alves  
Tekron Product Line Manager
